

# Laser Reiki - Energy Healing Miracles!

## Heal Your Financial Energy Blockages at a Laser Reiki Workshop

### Why talk about financial problems in a healing brochure?

Simple really! God is absolutely abundant and you are part of that great abundance which includes health, wealth, freedom and joy in life. If you have to struggle with any of the above, negative mental patterns of *lack* are planted in your consciousness. Learn to release them at one of the workshops! Several million saw "The Secret" on Oprah! Learn to put it in action!!

### A Breakthrough In Healing

*"In 1991, Taylore Vance, along with Roi (Herb "Roi" Richards) discovered the hidden part of Reiki—Laser Reiki. It was so easy to do and simple to learn. Since it looked like a laser beam to those who can see auras, they called it Laser Reiki. It effortlessly puts the power to heal back into the hands of anyone — once they know the method. Taylore and Roi are both Internationally known Reiki Masters, healers, trainers, coaches and consultants. They officially started teaching it in 1994.*

They have opened The **Reiki Ranch Energy Healing School** - a beautiful 22 acres, a classroom and office bldg., a 3-bedroom modern home, fruit orchards, organic gardens, a small creek 40 feet from the house, a spring fed pond, meditation area, hiking trails, etc...

It is only 15 minutes West of Chehalis, WA - Interstate-5 at Exit 77. (Between Seattle and Portland.) Go 4+ miles west on Hwy 6, then 5+ miles thru Adna, Bunker Creek Rd. to the Reiki Ranch. Limited bunking indoors, also camping & RV parking available. Motels are only 9-10 miles away in Chehalis.

### Reconnect and Program Your RNA/DNA:

As earth's vibrational frequency increases there are additional DNA telomeres & codons to re-connect. (*Kryon* talks about installing DNA.)

Learn to program your DNA for the up and coming higher dimensions of prosperity & abundance. Dimensional shifts as well as to receive even more Health, Wealth, Abundance, and Joy!

## Laser Reiki Healing Techniques That Everybody Can Learn

### Cause Instant Healing Of Physical

**Pain:** Even long standing chronic pain! Laser Reiki is a remarkable energy healing method of instantly removing pain from the physical body! Easy to learn! Not necessary to even touch the body! Releases negative energy patterns that cause pain and dis-ease. Heals the “root cause” of aches, pains, ulcers, lower back pain, blood pressure (high/low), asthma, allergies, cancer, AIDS, fibromyalgia, and even poverty consciousness, etc.

◆ By releasing negative energy blockages you are able to feel good inside and out. Many have never known it was possible to feel the inner joy, peace, harmony, and wellness at such a deep level.

### Healing the Mind (Like defragging a computer of Viruses):

Helpful for mental / emotional problems such as: fear of success, fear of failure (some have both), phobias, stress, anxiety, tension, sadness, sexual problems, jealousy, anger, rage, lack of confidence, depression, ancient curses, etc.

### Send Energy Healings to Distant

**Places:** Instantly Send Remote Healings to friends, family, pets, animals, clients and especially to the planet! You don't have to be near your client to make profound health changes.

## Lower The Ego To Have More Friends and Even More Joy

We have an easy process for testing the level of the Ego on a scale of 1 to 10. Next, we can lower the Ego to a two on that same scale. You immediately feel more free and relaxed. This is especially important in close relationships.

### Testimonials on file from practitioners, students and clients:

- ◆ *I'm pastor of the Unity Church in Centralia, WA. I attended your 1-day "Creating Your Prosperity" seminar last year. As a result my income as an architect has soared — the highest its been in 23 years. Those in my congregation have also experienced profound improvements as well.*
- ◆ *"LR is Easy to Learn! Many times faster than Reiki by itself or any other energy healing methods I've seen. I say, "good-bye to most all medications"*
- ◆ *"Amazing! Wonderful! Revealing! Also LR & CEH were very effective on increasing the flow of money to me as well as getting rid of my tennis elbow."*
- ◆ *"I have attended a lot of workshops and I have learned a lot. Your workshops have been the best for me so far. I can't find words to express my joy and love for you both and what you offer!"*
- ◆ *"As a massage therapist I use the Laser Reiki techniques with clients who have long standing & extreme pain."*
- ◆ *"The workshop taught me to communicate with my subconscious mind. I can now find out the root cause of my aches and pains. I can even clear karma (negative patterns) from past lives—bleeding over into this life. I received multiple healings at the workshops."*

**How to Attract Wealth Book** 145 page how-to manual. \$25. Authored by Taylore & Roi. It is their true story about manifesting abundance when they were almost penny-less. By using the two seemingly “magic words” in the manual correctly, your income could triple
